

AND YOUR WINNERS ARE...

We reveal the winners of our latest beauty awards, this time skincare for face and body.

WELCOME TO THE TOP SANTÉ Skincare Awards 2024! We've been running these awards since 2017 and each year they grow bigger and better.

Our awards are completely unbiased as we have a panel of testers all aged between 40 and 80, who test the products and report on their efficacy, scoring them across different markers. That way we're not swayed by industry or

influencer leanings towards certain brands, but instead sharing with you the winners as voted for by real-life, everyday women who buy and use beauty products.

It's always a pleasure to discover new brands and find new favourites – I know I have from this year's pick of the best. Enjoy!

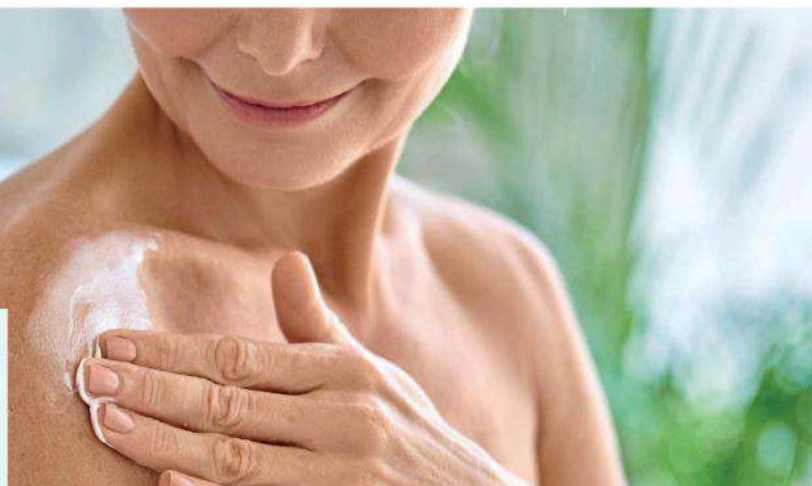

Katy x Editor-in-Chief

BEST SUNSCREEN FOR BODY

Winner
athletia Skin Protection UV Body Mist (£33, athletia-beauty.co.uk)
